1 About the Department

Boiler Inspectorate Chhattisgarh, aims to provide world class environment to the investors in Chhattisgarh. The department offers following services online for the ease of investors thereby improving ease of doing business in the state:

1. License under The Indian Boilers Act, 1923
2. Renewal of license under The Indian Boilers Act, 1923

The above services are available online on the departmental website <http://industries.cg.gov.in/boiler/>

The user guide contains below information regarding each service:

1. General guidelines for Users
2. New User Registrations
3. Registration of Boiler Erector Registration

1.1 New User Registration

For availing the facility of online services of various department of Chhattisgarh, users will have to register online. On clicking New User , User have to register by giving all the details in new user registration form. After registration, user gets the ID and Password ,using registered ID and password login for “Boiler Manufacturer Registration”.

The screenshot displays the Boiler Inspectorate website interface. At the top, a navigation bar includes links for Home, Acts and Rules, Boilers, About, Services, Login, and New User (highlighted with a red circle). The main header reads "Welcome to Boiler Inspectorate". Below this, a large image of a blue industrial boiler is shown on the left. To its right, a "Online Services" section lists various actions under three categories: Boiler (Registration of new Boilers, Renewal of Boilers, Accident Report), Repairer (List of Registered Boiler Repairer, BOE's List of Boiler Operation Engineer), and Verify (Verification of Boilers, Verify Treasury Reference No.). A note states: "NOTE : The above services will be available only for the registered user. For registration Click Here". Below the services section, three blue boxes show statistics: "New Boilers Registration" (6), "Boiler Renewal By Self Certificate" (17), and "Boiler Renewal By Department" (83). At the bottom left, a "News" section lists updates such as "HALL TICKET FOR BOILER OPERATION ENGINEERS EXAMINATION, JUNE-2016" and "List of Rejected Candidate for B.O.E Exam". On the bottom right, two circular icons represent "Boilers" and "Repairer", each with a corresponding description of the service.

1.2 Boiler Erector Registration

I Click on “ Boiler Erector Registration” under online Services as shown below

II On New “Boiler Erector Registration “page, fill the all the details and click on “Submit” Button as shown below

The screenshot shows the 'Boiler Erector Registration' form. The top navigation bar includes 'Home' and 'Change Password'. The main header says 'Boiler Erector Registration'. Below this, there are several sections for data entry. The 'Unit / Udyam Aakanksha Number' section has a text box with '11302934594041'. The 'Firm Details' section includes fields for 'Industry Name' (Test Enterprise), 'Address' (address dummy), 'Area' (Urban), 'District' (Raipur), 'Block/Tehsil' (Select), 'Village/Town' (Select), 'Pincode' (598674), 'Establishment Year' (1954), and 'Classification applied for' (Class II (Pressure>17.5 Kg/cm2, <40 Kg/cm2)). The 'Type of job executed by the firm earlier' section includes fields for 'Boiler No.', 'Max. Pressure Kg/cm2', 'Temperature in (°C)', and 'Materials Involved'. A 'Submit' button is located below this section. Below the form, there is a table with 5 columns: S.No., Type, Quantity, Capacity/Rating, and Unit. The table contains 5 rows of data, each with a 'Dye penetration kit' and an 'Add' button. The 'Other Details' section includes questions about the firm's readiness to execute the job, accept full responsibility, and supply material, each with a 'Select' dropdown menu. A 'Submit' button is located at the bottom of the form, circled in red.

- III After filling the details ,click on “Submit” button and proceed to next page and fill the details required on next page and click on “Submit” button as shown below
