Welcome to Google Cloud Platform for Startups

You have been selected as a trusted partner for nominating startups to the GCP for Startups Spark Package. We've linked a [Partner One-pager](#) providing a brief overview of the Spark Package, getting started tips and best practices. Please review the Partner One-pager before extending this benefit to your portfolio. In order to access the [Nomination Portal](#), you will need to login using the Google Account provided in your partner application.

How to Nominate a Startup

Please login with the email used during your partner application to access the Nomination Portal:

1. Login to the [Nomination Portal](#)
2. Fill out the Startup Nomination Form
3. Refresh Nomination Portal to check startup application status

Startup Nomination Criteria

As an approved partner for the Spark Package, please refer to the linked GCP for Startups Partner One-Pager for more information and best practices. For the most updated information, please visit our [home page](#). The following is a list of the current eligibility criteria for startup companies to apply for the Spark Package:

- Be part of your VC fund, Accelerator, Incubator OR referred by a Googler
- Up to Series A level funding (max)
- Have not received GCP promotional credits before (free trial excluded)
- Be incorporated within an approved [territory](#)

Brand Permissions

If you would like to add your logo to the GCP for Startups [website](#), please let us know and attach a logo.

If you plan to use the Google brand publicly on your properties, follow these [brand guidelines](#). We are happy to provide high-resolution logos if you need them.

Best,

The Google Cloud Platform VC & Startup Team

Feel free to email us at cloud.startups@google.com with any questions about the program.
